Media Release

You're invited to the Royal United Hospital's Annual General Meeting

Members of the public are invited to The Royal United Hospitals Bath NHS Foundation Trust's Annual General Meeting on Wednesday 27 September, in the Assembly Rooms, Bath.

The AGM will also combine the Trust's Annual Members' Meeting. Attendees will hear from key speakers on how the Trust has performed – its activities, challenges and achievements over the last financial year.

Brian Stables, Trust Chairman said: "All members of the public are welcome to attend. We will have information stands set up to explain our future plans and other key areas of activity taking place at the hospital. Staff and Governors will also be available to answer any questions you may have.

"Please come along if you are free. It's a good opportunity for you to tell us what you think of the care we deliver and how we can further improve patient, carer or visitor experience. Your feedback will help us to shape our clinical priorities for the year and set strategic goals."

Guests are asked to book their place in advance. This can be done by calling the Membership Office on 01225 826288.

Guests will be able to take a behind-the-scene look at some specific areas of work at the RUH. Consultant Geriatrician, Dr Chris Dyer will be hosting our Caring for You topic focusing on the Frailty Flying Squad, a pioneering specialist team of doctors, nurses and therapists, which has been shortlisted for a national nursing award for its work in supporting frail elderly people to remain at home rather than being admitted to hospital.

The AGM will be held in the Assembly Rooms in Bennett Street from 5pm.

Copies of the Annual Report and Quality Accounts will be available at the meeting and on the RUH website www.ruh.nhs.uk after the meeting, or by written request to the RUH Trust Secretary, Royal United Hospitals Bath NHS Foundation Trust, Combe Park, Bath, BA1 3NG

Ends

Chairman:
Brian Stables

Chief Executive:
James Scott

Notes to Editor:

- The Royal United Hospitals Bath NHS Foundation Trust provides acute treatment and care for a catchment population of around 500,000 people in Bath, and the surrounding towns and villages in North East Somerset and Western Wiltshire. The hospital provides healthcare to the population served by four Clinical Commissioning Groups: Bath & North East Somerset CCG, Wiltshire CCG, Somerset CCG and South Gloucestershire CCG.
- The Trust provides 565 beds and a comprehensive range of acute services including medicine and surgery, services for women and children, accident and emergency services, and diagnostic and clinical support services.
- In 2015 The Royal United Hospitals NHS Foundation Trust was acquired the Royal National Hospital for Rheumatic Diseases (RNHRD) NHS Foundation Trust. The RNHRD treats patients from across the country offering services in rheumatology, chronic pain and chronic fatigue syndrome/ME. ...
- The RUH is changing - we have an exciting programme of redevelopment underway transforming our site and further improving the services we provide. The Trust is now working towards building a purpose built RNHRD and Therapies Centre and a new Dyson Cancer Centre. For more details visit: www.ruh.nhs.uk/about/fit_for_the_future
