

SupportTT

For Doctors returning to work

Returning to training after a break of >3 months?
SupportTT are here to help!

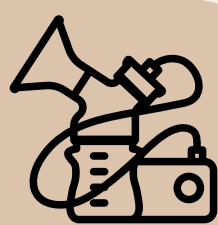

Did you know that you are entitled to a period of
'Enhanced Supervision' so that you can return to
clinical practice safely and confidently?

This may include:

Supervised operating lists,
Reduced patient numbers in clinic,
Supervised ward rounds,
Out-of-hours work ONLY in a
shadowing capacity
For your first 10 shifts back

To set this up, meet with your supervisor,
complete your 'pre-return planning' form and
communicate as early as possible with your
rota co-ordinator

Our local SupportTT package is available to all returning
trainees & LEDs...

SupportTT - Supported return to training
