REMEMBER!

- Keep checking your **THINGS TO DO!**
- A Band 7 can delete a note on the wrong record
- A Band 7 can reset your BadgerNet password
- You can add additional leaflets (additional reading) to the ***Personal Timeline***
- Use the ***Communication*** note for any communication with women or professionals
- Always complete all fields
- Enter a Date and Time in the **On Leaving** section!
- Publish notes to Badger Notes so the woman shares her care: authorise with username and password

Booking:

1. Drawer: Notes During Pregnancy

2. Click

3. *Antenatal Booking (PCP)*

**** Must complete all tabs and links**

**** Can import the mother's pre-booking answers if she's answered them on her Badger Notes App**

**** There are NO automatic Referrals:**

Enter new note > *Referral* . You can do this as you go along from the launch on the right, or at the end using Enter new note

**** Order Bloods and routine scans in Millennium**

**** Add Allergies to Millennium**

Antenatal Appointments:

1. Check the woman's care location and change if needed

2. Drawer: **Notes During Pregnancy**

3. Click 

4. *Antenatal Follow-up*

5. Complete any other notes you might need:

- *Did Not Attend***
- *Microbiological Tests and Results***
- *Blood Tests, Results and Actions***
- *Confidential Social Issues***

Birth:

1. Drawer: **Labour and Birth**

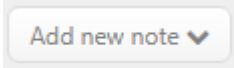

2. Start with **Labour and Birth** and return to it regularly to update labour landmarks

A rectangular button with rounded corners and a light gray border. The text "Labour and Birth" is centered in a blue, sans-serif font.

3. Use **Labour Assessment** for all labour care, but only complete the section you need each time AND

A rectangular button with rounded corners and a light gray border. The text "Labour Assessment" is centered in a blue, sans-serif font.

4. Complete any other notes you might need from the **Add new note** button in the top right corner

A rectangular button with rounded corners and a light gray border. The text "Add new note" is in a blue, sans-serif font, followed by a small blue downward-pointing chevron icon.

**** Don't leave the Labour and Birth drawer, as notes from elsewhere won't populate the **partogram**!**

Check Things to Do List!

On discharge following Birth:

1. **Enter new note:** search for “transfer of care”

The screenshot shows a search bar with the text "transfer of care" and a red 'X' button. Below the search bar, there are two sections: "Woman Notes" and "Baby Notes". Under "Woman Notes", there is a checkbox labeled "Transfer Of Care Smart Form (Woman)". Under "Baby Notes", there is a checkbox labeled "Transfer of Care - Smart Form (Baby)".

2. Complete ***Transfer of Care Smart Form (Woman)*** AND
3. Complete ***Transfer of Care Smart Form (Baby)***

**** Be sure to choose the right Maternity Team or Receiving Trust at the bottom of the notes**

**** Call or email the Receiving Trust if it's not the RUH**

**** Confirm and Send both reports so GP receives them**

Postnatal Appointments at Home or in the Unit:

1. Drawer: **Postnatal**

2. Click 

3. ***Postnatal Assessment (Community)***

4. ***Baby Examination***

5. Complete any other notes you might need from the **Add new note** button in the top right corner:

- ***Postnatal Conversations***
- ***Feeding Smart Form*** (just the bits you need)
- ***LMWH Teach Back***
- ***Did Not Attend***
- ***Microbiological Tests and Results***
- ***Blood Tests, Results and Actions***

Arranging for a woman to be seen in Triage:

1. Enter note > **Communication**

2. Choose “Triage (BSOTS)” and “Midwife”:

Call between and

**** You DO NOT need to actually call them**

3. Complete the whole note

**** The woman will be added to the BSOTS TCI List if you choose either of these two options:**

Plan

Discuss ☐ Yes ☐ Phone ambulance; Attend immediately

Mark if ☐ Attend (use own transport)

Arranging for a woman to be seen in DAU:

1. Book into Millennium’s DAU Appointment Book

Seeing a woman in CBC or FBC as a Ward Attender (e.g. SRON check):

1. Drawer: *Notes During Pregnancy*

2. Click 

3. *Assessment Unit*

Booking Induction:

1. Drawer: *Induction*

2. Top right corner: *Book Induction* button

Final discharge:

1. Drawer: Postnatal

2. Click 

3. *Postnatal Assessment (Community)*

4. *Baby Examination*

5. *Feeding Smart Form* (Assessment)

6. Complete any other notes you might need

7. *Transfer of Care Smart Form (Woman)*

8. *Transfer of Care Smart Form (Baby)*

**** Confirm and Send both reports in Clinical Reports (for mother) and Reports (for baby) so GP receives them**
