## History

The Friends of the Eye Unit was founded in 1949.

The charity is funded by donations by patients and supporters of the Eye clinic.

This money is put to good use buying extra equipment not available from hospital funding and supporting professional development of the eye clinic staff with training and courses.

This all leads to improvement of patient care and the service we provide.

## How can you help?

You can support by one off or standing order donations or organising fundraising activities.

You can leave a legacy to the association. As the association is a charity, legacies will be deducted in calculating your estate's liability to inheritance tax.

If you are a tax payer, completing the gift aid form allows us to recover tax at no extra cost.

We meet 3-4 times a year and have our AGM in the summer. To become a member of BEUAF please email:
